

OLDE ENGLAND LAKE TENNIS MEMO

At the August Homeowners meeting, it was decided to add a Tennis Committee to the Board of Directors. Kristie Long and Janet Rosenfield are the Co-Chairs of this committee. Items discussed that needed addressing were:

1. Rules and Regulations on the use of the Tennis Courts.
The Rules and Regulations have been adopted by the Committee and are included with this mailing.

2. Equipment - the following court equipment has been approved for purchase:
 - 2 Scoreboards
 - 4 benches
 - 1 sign-up board
 - 2 squeegees
 - 2 valet units
 - 2 court numbers

The equipment will be purchased at separate times to ensure we stay within the allotted budget. To ensure that this equipment is not stolen or that the courts are not used for anything other than tennis, a combination lock will be installed.

3. Drainage problem
A landscaper was brought out to the tennis courts to assess the drainage problem that has already caused damage to the court surface. His suggestion was that in order to do the job properly, we should wait until the courts needed to be re-surfaced and then run new drainage lines at that time.
4. Lessons for interested homeowners and community events
We have found a tennis pro that is willing to come to our subdivision and give beginner lessons to children and adults. If this is something you are interested in, please email the tennis committee. The lessons will be once a week, probably not starting until after the first of the year. Adult lessons will be in the evening, and the children's lessons will take place at the most convenient time for families, but before 6PM. Please email us at oeltennis@yahoo.com if you are interested. If you are signing up a child, we will need to know the age of your child and what time is most convenient for you.

Our hope is to have at least one ALTA team this spring, and to hold some neighborhood round robins during the summer months.

If you are interested in helping out on the tennis committee, please email Janet and Kristie at: oeltennis@yahoo.com
